Re: Effective August 1, 2020, USHEALTH Group, a UnitedHealthcare Company, will be providing dental benefits to their 50,000 dental individuals across 30 states through Dental Benefit Providers, Inc.

Dear Doctor:

Thank you for participating in the Dental Benefit Providers, Inc. (DBP) network. We would like to highlight the aforementioned new relationship, which will provide additional dental membership effective August 1, 2020.

USHEALTH Group will offer a PPO product that allows its members to utilize DBP dental network providers. DBP will not maintain or service the eligibility of these members or process the claims. You will be reimbursed based on your DBP Commercial PPO contracted fee schedule.

Any questions regarding claims, eligibility or benefit inquiries should be directed to the provider phone number designated on the member's identification card.

Below is a sample of the Group Member Identification Card.
